

## ICON call February 2010

### Calls and timing

#### Timing ICON call February 2010

Monday 26 April 2010 (noon)	Final due date submission project proposal
1 June 2010	Early start at ones one risk for business partners. Due to budgetary restrictions there is no early start foreseen for IBBT research groups
December 2010	Announcement of grants
1 January 2011	Anticipated start date for projects

#### **Instruction discussions**

During the instruction discussions; the IWT advisors, together with the IBBT program managers, discuss the application with the applicants, and – if necessary – ask additional oral or written information from the consortium. In order to ensure a smooth run of this procedure, a constructive and timely co-operation from the applicants is crucial.

**For this reason, please make sure to mark the following potential dates in your agenda (approx. 2 hours/proposal)**

- Do. 03/06 day
- Di. 08/06 day
- Do. 10/06 day
- Di. 15/06 day
- Do. 17/06 day
- Do. 24/06 before noon
